

iHS / California Energy Commission PIERS Data Subscription Order Form Addendum

As members of the Petroleum Market Advisory Committee ("PMAC") to the California Energy Commission ("Energy Commission"), each of the undersigned agrees to adhere to the terms and conditions of use for the PIERS data subscription between the Energy Commission and iHS Maritime & Trade. These terms and conditions restrict the use of PIERS data exclusively to work as advisors to the Energy Commission, the signors individually agree not to utilize the subscription data for any use outside of PMAC duties. PMAC members shall be individually responsible to PIERS to safeguard the information and comply with the terms of the subscription agreement including any penalties and or/fees related to unauthorized use or release of the data.

I agree to the above:
